Dear Lakeview Families,

We are two weeks into statewide testing. I am really pleased with how students have been doing. Thank you for your support. There is an event coming up in the time frame prior to the next Newsletter where your support is greatly appreciated. Lakeview will have its annual Open House on Thursday, May 25th. The evening will begin with a brief introduction and PTSA meeting in the MU and then move very quickly to classroom visitations. There is a schedule located later in the newsletter. It is opportunity for the Lakeview community to come together to show what it means to Dream, Believe, Act and Achieve.

Community Interviews for 8th grade students are coming up on Wednesday, May 24th and Thursday, May 25th. This is such an important part of the 8th grade experience for our students. Students prepare and present in interview fashion to members of the business community. It is so good to see our 8th graders dressed up and ready to impress. If you are interested in being a part of the interview process, then please contact Mrs. Maria DelCarmen at mdelcarmen@orcutt-schools.net.

The last school dance of the year is Friday, May 19th from 5-8 p.m. The theme is Super Heroes. It will celebrate the end of State wide testing in English and Math. The cost is 5 dollars at the door. There will be a photo booth and a snack bar. Dress code applies and costumes with masks cannot cover the face. It is an opportunity for our students to decompress after a stressful few weeks. The dance will end promptly at 8 p.m. so please make sure that pick up is arranged at that time.

Have a great weekend and do not forget to spoil Mom on Mother's Day!

Sincerely,
Ted Lyon, Jr.
Principal

Parents of Lakeview students returning or starting next year:

VERY IMPORTANT INFORMATION: For the 2017-2018 school year, all parents need to log in to the Aeries Parent Portal to confirm their child's emergency information. We are asking parents to confirm information through the portal instead of sending home paperwork to make sure addresses, phone numbers, medical information, etc. are correct. You will also be asked to look over our school handbook and other important documents. After you finish confirming your information, you will be instructed to print out a form, sign it and bring it to the school office on or before the first day of school. This Data Confirmation Module will open July 24th and will be available until the first day of school. The day before school starts you will need to log into your parent portal to see who your child's homeroom teacher is. You need to go through the Data Confirmation Module before you will see the teacher's name.
