- 10/27 Report cards mailed
- 11/01 Staff development day
No school for students
- 11/10 Veteran's day—No school

Dear Lakeview Families,

This next Friday, October 6th, Lakeview has a couple of big events. First, our 8th graders will be heading over to Allan Hancock College around 11:30 a.m. We are going to eat lunch (sack lunches) once we arrive at AHC and then participate in the Jr. High Career Exploration Day. We will be back on campus around 3:15 in time for end of day dismissal. The evening of the 6th, our Lakeview ASB is sponsoring it's first dance. It will cost 5 dollars at the door and run from 5:30 to 8 p.m. There will be a snack bar and photo booth so students can bring money for this as well. Please plan on student pick up at 8 p.m. If you would like to chaperone, then please contact Kristi Partida at kpartida@orcutt-schools.net.

Lakeview is working on providing a more inviting and student friendly library media center. The school has invested in some materials for a Maker Space. The goal is to have a flexible learning space that can be used by teachers during classes and before school and during lunch when our library media center is open. In the previous newsletter a list of potential materials to donate was provided. If you are interested in supporting this with supplies, then please email me at tlyon@orcutt-schools.net or Chadley Landreth at clandreth@orcutt-schools.net.

The school has two important parent advisory meetings approaching. The first is on Tuesday, October 10th at 6:30 p.m. in the staff workroom. The meeting is for the English Language Advisory Committee (ELAC). This committee will receive information and ways to support students who are learning English as their second language. On Wednesday, October 18th at 4 p.m. in the staff workroom the school will have its first School Site Council Meeting of the year. We still have two parent spots open on the council. The first meeting will focus on our School Plan for Student Achievement. Please email me at tlyon@orcutt-schools.net if you are interested.

Have a great weekend!

Sincerely,
Ted Lyon, Jr.
Principal

Queridas Familias de Lakeview,

El próximo viernes, 6 de octubre, Lakeview tiene un par de eventos importantes. Primero, estudiantes del grado 8 irán al Colegio Allan Hancock alrededor de las 11:30 a.m. Comeremos en AHC (comida embolsada) y luego participaremos en el Día de Explorar Carreras de Jr. High. Regresaremos a la escuela aproximadamente a las 3:15 para el fin del día. También, la tarde del 6, el ASB de Lakeview patrocinara el primer baile. El costo es de 5 dólares en la puerta, y es de las 5:30 a 8 p.m. Habrá bocadillos y un puesto para tomar fotos, los estudiantes pueden traer dinero para eso también. Por favor pase por su estudiante a las 8 p.m. Si quiere ser chaperón, contacte a Kristi Partida al kpartida@orcutt-schools.net.

Lakeview está trabajando para proporcionar un centro de media en la biblioteca que sea más invitante para los estudiantes. La escuela ha invertido materiales para un Maker Space. La meta es de tener un espacio de aprendizaje flexible que se puede usar por los maestros durante clases, antes de clases, y durante la comida cuando la biblioteca está abierta. En la carta previa se proporcionó una lista de donación de materiales. Si está interesado en apoyar con materiales, por favor mándeme un email a tlyon@orcutt-schools.net o a Chadley Landreth a clandreth@orcutt-schools.net.

Se acercan dos juntas de padres importantes. La primera el martes, 10 de octubre a las 6:30 p.m. en el salón del personal, la junta es para el Comité ELAC (Comité Consultivo del Idioma Ingles). Este comité recibirá información y maneras de apoyar a estudiantes que están aprendiendo inglés como segundo idioma. El miércoles, 18 de octubre a las 4 p.m. en el salón del personal, será la primera junta del Sitio del Sitio Escolar del año. Tendremos dos espacios abiertos para padres en el concilio. La primera junta se enfocara en el Plan de Escuela para el Logro Estudiantil. Por favor mándeme un email a tlyon@orcutt-schools.net si está interesado.

¡Tenga un gran fin de semana!

Sinceramente,

Ted Lyon, Jr.

Principal

Career Exploration Day

ATTENTION 8th GRADE PARENTS:

**Allan Hancock College is hosting
Career Exploration Day
on Friday, Oct 6th.**

“The goal of the event is to expose high school, junior high school, and college students to career opportunities on the Central Coast and to make sure they know how to prepare for the careers of their choice,” said Nohemy Ornelas, associate superintendent/vice president of Student Services. “It also helps those still exploring career options to talk directly with employers.”

All Lakeview 8th grade students along with 8th grade teachers will be leaving school at 11:30 a.m. Students can use their lunch pins to get a sack lunch if they choose...or bring them from home.

NOTE: On Monday, October 2nd - we need a final count of all students requiring a school provided sack lunch. Be sure your student lets their teacher know if they need one!

We will make sure we have water bottles as well. We will load busses and head to AHC. When we arrive then we will have lunch outside in a grassy area on campus. At 12:30, AHC will be leading tours focused on Career Exploration.

Students will likely be in 5 groups...each with staff chaperones.

At 2:30, the tours will finish and busses will return us to Lakeview in time for regular dismissal at 3:25.

This is a wonderful opportunity for our students to begin thinking about future education and career plans.

Fright Night Dance

Friday, October, 6th

5:30-8:00pm

Cost is \$5 at the door with ID

Costumes are permitted

No masks allowed

** Dress code applies

7th Grade trip to PCPA

[Maker-Space Supplies](#)

[Library Books](#)

Makerspaces are centers with tools. Makerspaces combine manufacturing equipment, community, and education for the purposes of enabling students to design, prototype and create manufactured works that wouldn't be possible to create with the resources available to individuals working alone.

If your child receives free school lunches, you may qualify for Internet Essentials™ from Comcast.

Bring the Internet home for just \$9.95 a month.

The world has gone digital. Internet service has become essential for success. That's why we created Internet Essentials. It's available to households with children who receive free school lunches under the National School Lunch Program. While participating in Internet Essentials, customers will receive:

AFFORDABLE INTERNET
